Describe it (q6331)

CA	The bike are check after every training session and repaired if necessary
DE	
GA	Annual maintenance and routine repair as reported.
ID	Owners manual
IL	Annual Inspection and replacement of any parts on the motorcycle. Repair or replace as needed.
IN	routine maintenance forms filled out by instructors/site coordinators before every course and retained

	in site records.
KY	Weekly visits. Repairs are made ASAP.
MD	Regular maintenance is done annually prior to the training season. Other items are maintained according to their useful life on a rotating basis.
MN	mechanic on contract
NC	Lead instructor at each site performs annual and preventive maintenance. State office performs major repairs.
ND	Every spring and fall
NM	RiderCoaches identify mechanical/damage problems at end of each class; Site Coordinators perform maintenance before units are used for the next class.
NY	Inventory control records are kept that document maintenance activities. Individual training sites are responsible for routine maintenance during the training season. In the off-season, motorcycles are serviced according to a service plan at a central maintenance facility.
OH	We service all our program bikes annually during the winter. During the training season they are serviced and maintained by our sponsors.
OR	Quarterly service; annual detailed maintenance.
PA	a specific checklist listing all maintenance needs for each motorcycle
WA	Only on state owned but all motorcycles are required to be maintained in a manner to provide safe operation in a training environment
WI	Each site takes responsibility for maintenance. They either have a mechanic on staff or arrange with local dealers for maintenance.
