

TEAM OREGON MOTORCYCLE SAFETY PROGRAM

Share the Road

TEAM OREGON promotes awareness campaigns targeted to both motorcyclists and motorists. Professional instructors are available to speak to your civic, fraternal, business or education group on a variety of themes, including statistics, training and education, challenges unique to motorcyclists, and ways in which to spot motorcycles more easily in the traffic mix. In partnership with ODOT, community traffic safety and enforcement groups, TEAM OREGON also sponsors the "Crash Car" (shown at right), an actual reconstructed crash offering a sobering reminder of the hazards of drinking and riding. Call us today to plan a presentation or display for your group or organization.

TEAM OREGON offers motorcycle safety programs statewide. Call for course schedules in your area.
