## BRC Book- Old

Hello:

We have about 400 of the black - Basic RiderCourse, Rider Handbook. If you would like to have these books we are just asking for the shipping cost.

If you are interested please contact Lonnie at: [lonnie at abatend.com](mailto:lonnie_at_abatend.com) or 701-223-5609.

## ILLINOIS

Does anyone else have 7.1 workbooks available? We are interested in obtaining at least 4,500 copies. The catch is that we need the 4,500. Any less makes our little plan here unworkable. We can pay for shipping or make other arrangements for delivery. Let me know how many copies you have available. Much thanks everyone.

## NEW HAMPSHIRE

New Hampshire has 180. Not much help for your need of 4500 but they are sitting here for you or someone else.
