2013 BRC vs BRC updated

Good morning colleagues,

How many states are still using the MSF 2103 version of the BRC vs. the MSF BRC Updated?

ILLINOIS

Illinois only offers MSF updated classes.

~Christopher Rector

NEW HAMPSHIRE

New Hampshire MRT is BRCu e3 X 5 X 10.
Not mandated by the state yet-2013 still supported.

~Lawrence Crowe

TEXAS

Texas utilizes the BRCu e3 x 5 X 10.

~John Young

MARYLAND

Rick,

In Maryland we are have been using the BRC 2014 (Updated) e3x5x5 since 2015. We will be converting to the BRC2 and ARC (updated) by 1 July 2018.

I am planning to conduct a Transitional-RiderCoach Prep 1 - 3 June for some RCs from PA.

~Phil Sause

NEVADA

Nevada converted to the updated 2014/2015

~Peter Vanderaa

VERMONT

The Vermont DMV program is using the updated BRC e3 X 5 X 10. The state has two private programs. One is using the BRC 2013 and the other is using the updated BRC.

~Paul Graves

MAINE

Maine has completely transitioned to the BRC updated.

Ride Safe and Ride Smart,

~John Kohler

NEW JERSEY

NJ has been transitioning into using the BRCu and will have that transition completed by the end of this year.

~Lori Sannella

UTAH

Utah is using the Updated curricula now.

~Daniel Terry

MICHIGAN

Michigan converted to all the updated courses as well. BRC, RRBRC, BRC2, ARC, and 3W.

~Chad Teachout
