Painting Our Wagons (Program Trailer Graphics)

Good afternoon and Happy New Year friends and colleagues,

The Colorado State Patrol recently purchased a new 10' utility box trailer for outreach events, and we're looking for ideas for interesting and attention-getting graphics or artwork for the exterior to serve as a rolling billboard. Obviously it needs to be state agency appropriate but otherwise we have a lot of latitude for the finished product.

We have a few ideas of our own but since many of you have already deployed graphics and wraps on your equipment we thought you'd be willing to share suggestions and examples of what you use for your program.

Thanks for the help!

MARYLAND

Michael,

Happy New Year! Embedded are a couple of images of our Mobile Classroom trailer. It's a tad bigger than 10', but you can see the exterior graphics.

I guess it's cold in CO too.

Regards.
