DUE DATE: EFFECTIVE IMMEDIATELY, ACTION: Accelerating Safety Activities Program (ASAP)

FYI Got this notice. It was addressed from FHWA to the following:

Alabama, Arizona, Arkansas, California, Florida, Illinois, Kentucky, Louisiana, Michigan, Missouri, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Virginia:

"Subject: DUE DATE: EFFECTIVE IMMEDIATELY, ACTION: Accelerating Safety Activities Program (ASAP) TO THE ATTENTION OF THE DIVISION ADMINISTRATORS DUE DATE: EFFECTIVE IMMEDIATELY The Office of Safety and the Office of Technical Services are proud to announce the availability of \$100,000 for the Accelerating Safety Activities Program (ASAP) for FY 2014. The attached memorandum and attachments outline the purpose of the program, as well as the application process and eligibility requirements for interested State and local agencies. We are requesting your assistance to continue advancing safety efforts in the 23 States participating in the Focused Approach to Safety. Please forward this information to your partners and work with your State DOTs, LTAP and TTAP Centers to develop and submit proposals by February 28, 2014. We appreciate your continuing cooperation and assistance in promoting this program."

Unfortunately, the attachments did not come through. I am trying to have them resent. If successful I will post to the listserv.--
