### **Mandatory training study**

Does anyone have a link to a study that shows the impact on crashes and fatalities after a state has adopted mandatory training? Seems like I heard Florida did one. I've got a meeting with some State Senators next week and I know the topic will come up.

#### **NEW JERSEY**

No, because NJ does not have mandatory training.

#### **GEORGIA**

Not sure if the first one below is what you are looking for, so I threw in a bunch of other stuff that may or may not help. Sometimes I just can't stop :)
