Michael Davis updated personal information

Good morning friends, My last day with the MMSP is next Friday the 18th after which my work email (this one) and work cell phone (6604410532) will be deactivated. For those who'd like to update their address books so they can forward their Nigerian "financial partner wanted" and Cialis promotional emails my contact info is now:

MARYLAND

Michael, Success with the new gig. So, when do you plan to host the SMSA soiree? I'll start planning my ride out.

MISSOURI

Y'all are welcome at the house anytime. Just as soon as I find one. Until then you'll find sleep in peace when day is done at Corvallis' Galaxie Motel. Bring cash for the sheet deposit. Regarding the conference, I'll defer to the esteemed Mr. Garets on that one. Steve, FYI there's a big wooden horse outside the gate.
