### **New Administrator in Pennsylvania**

Hello folks, As most of you already know PennDOT has chosen Cape Fox to be the administrators of the Pennsylvania Motorcycle Safety Program starting April 1st, 2014. Many of you know Roberta Carlson who will be the new program manager. I wish her and the program many more years of success. It has been a great pleasure to work with so many of you over the past 20 years. And I just wanted personally say thank you for some of the best years of my life. The good news for me; I am very fortunate and excited to be staying with the MSF and working in a national capacity now as I ride the road of change. Warmest wishes to everyone
