### **New MSF RC materials and handbook**

If you hadn't heard, the MSF student handbook (v 7.1) is no longer available. Check out [retsorg - library - "Learn to Ride"](#) to view the new materials and what you'll probably receive in your next order.

#### **MARYLAND**

Pete, Correct. We just ordered 2500 and are getting 500 of the 7.1 and the rest the new book. Oh boy.
