Position Announcement - Missouri MSP Program Manager

Friends and Colleagues, After several great years in Missouri I've decided to take advantage of an excellent opportunity to return home to the Pacific Northwest, and have accepted the operations position with Oregon that was recently posted by Steve Garets. Obviously this means my current job as Program Manager for the Missouri Motorcycle Safety Program is available. It was officially posted today so please forward the posting to any and all who might be interested. Please note that priority is given to applications received NO LATER THAN MARCH 9TH. Here are the details and a link to the job posting:
