Stickers

Does ANYONE have a copy of the Sticker/palm card that IOWA did for Ride Bright that they would be willing to share with me. If you have something similar that would be helpful! It has reflective stickers on one side and a printed safety message on the other side. I have tried emailing Toni, but am not getting a response. :(Thank you in advance

VIRGINIA

Despina, sorry I don't have a copy.

MARYLAND

Despina, That's a negative on the sticker. Snowed in?
