Just wanted to share that NHTSA has approved our Buy America waiver to purchase training motorcycles for 2016.

Good morning,

NHTSA has granted a Buy America Act waiver based on non-availability and cost to Michigan for 20 motorcycles for their motorcyclist safety training use grant (Section 405(f). The waiver applies to Michigan and all other States seeking to use Section 402 and 405 funds to purchase the make and model motorcycles noted in the Federal Register (FR) notice. Models listed in the FR notice include 2016 Suzuki TU250X, 2015 Yamaha V-Star 250, 2016 Yamaha TW200, Honda 2015 Grom, and 2016 Honda Rebel 250. Contact your assigned NHTSA 5 Regional Program Manager with any questions.
