New Creative

Our Information Officer, Megan Leonard, has put all of our 2016 ads in their various mediums on our website. Click on the topic in the left hand navigation menu to check them out if you're interested at: <https://dps.mn.gov/divisions/ots/mmsc/educational-materials/motorcycle-creative-campaigns/Pages/default.aspx> . Her contact information is on the page if you're interested in re-branding any of them.

Hope summer is treating you all right. Take care and travel well.
